

HEALTH REPORT

How to interpret y'skala dé vī Pasay's genetic health results:

If y'skala dé vī Pasay inherited any of the variants that we tested, they will be listed at the top of the Health Report section, along with a description of how to interpret this result. We also include all of the variants that we tested y'skala dé vī Pasay for that we did not detect the risk variant for.

A genetic test is not a diagnosis

This genetic test does not diagnose a disease. Please talk to your vet about your dog's genetic results, or if you think that your pet may have a health condition or disease.

Good news!

y'skala dé vī Pasay is not at increased risk for the genetic health conditions that Embark tests.
